## ***Article 7.25 Power Limiting Circuits***

***As referenced in 2008 NEC***

### **Course Date to be determined**

*To understand how and when to apply NEC Art. 725\*, you must first understand how the NEC classifies remote-control, signal, and power-limited circuits. Each classification addresses different energy levels.*

---

*(This class is an approved CEU course for both Utah and Idaho.)*

***Instructor: Chris Jensen***
